During move-in, show hours, and move-out, Show Management will maintain a show office. It is located on the show floor in the front of the building, behind the security desk. Look for the show office signs as you enter the front door.

BADGES

- Each exhibit is entitled to **six (6) badges per 100 square feet of exhibit space**. The maximum number of badges to be distributed to any one company is 20.
- **NEW!** - Badges can be picked up at the exhibitor desk, located in the expansion hall during move-in and then the loading dock during show hours.

- You are encouraged to drop off your badge each night so that your company does not run out of your allotment.

ADMISSION PASSES

As an exhibitor in the show, your company is entitled to **20 free admission passes per 10x10 booth**—(maximum number of passes allowed is 50).

Admission passes entitle the bearer to free admission to the show any one time and can be purchased by exhibitors for special clients, prospects, family, and friends. The passes are available at \$5.00 each and can be obtained by contacting Kelsey Collins at KelseyC@mpeshows.com

NOTE: Any exhibitor handing out admission passes at the entrance will be billed and will be responsible for the value of the tickets distributed.

EXHIBITOR PARKING

No exhibitor or employee working the show is to park in the lot (Lots A or B) in front of the Dulles Expo Center. This lot is for attendee parking only. This will be strictly enforced by show management. **There is a newly paved lot (Lot C) that will be reserved for exhibitor use.**

EXHIBIT GUIDELINES

Tables, chairs, electricity, etc. are **not included** with the cost of your exhibit space. Tables and chairs can be ordered through Hale Northeastern. Electricity can be ordered through the Dulles Expo Center.

Booths will have an 8' draped back wall. On each side, a draped side rail will extend from the back of the booth to the front of the booth at the height of 32", with the exception of first impression booths—first impression booths do not have pipe and drape.

Drape and aisle carpeting is black.

Four (4) loading docks and one drive-in ramp service the hall. The floor is concrete and the building has 25' high ceilings.

Please note that the columns shown on the floor plan are 8"x8" ceiling to floor steel beams.

Exhibitors are allowed to build their booth to the maximum height of 8 feet. This includes back walls and sidewalls. If the height of your display exceeds 8 feet, please notify Jean Sukys at 703-444-8711 for approval.

All exposed areas of the exhibit must have finished surfaces including back and sides. Graphics, logos, wiring or printing facing into another booth will not be allowed. Any part of any booth needing a finished surface will be draped at the expense of the exhibitor. Show management will determine whether such drape is needed.
